Outlook Therapeutics Announces Closing of \$5.0 Million Public Offering

March 25, 2026

ISELIN, N.J., March 25, 2026 (GLOBE NEWSWIRE) -- [Outlook Therapeutics, Inc.](#) (Nasdaq: OTLK), a biopharmaceutical company focused on enhancing the standard of care for bevacizumab for the treatment of retina diseases, today announced the closing of its previously announced public offering of 20,000,000 shares of its common stock and accompanying warrants to purchase up to an aggregate of 20,000,000 shares of common stock. Each share of common stock and accompanying common warrant were sold together at a combined public offering price of \$0.25. Each common warrant has an exercise price of \$0.25 per share, is exercisable immediately and expires five years from the date of issuance.

The aggregate gross proceeds of the offering were \$5.0 million, before deducting placement agent fees and other offering expenses. The potential additional gross proceeds to Outlook Therapeutics from the common warrants, if fully exercised on a cash basis, will be approximately \$5.0 million. No assurance can be given that any of the common warrants will be exercised. Outlook Therapeutics intends to use the net proceeds from the offering primarily for working capital and general corporate purposes.

H.C. Wainwright & Co. is acting as the exclusive placement agent for the offering.

The securities described above were offered by Outlook Therapeutics pursuant to a “shelf” registration statement on Form S-3 (File No. 333-278340) that was originally filed with the Securities and Exchange Commission (the “SEC”) on March 28, 2024, and became effective on April 5, 2024. The public offering was made only by means of a prospectus supplement and an accompanying prospectus that form a part of the effective registration statement. A final prospectus supplement and an accompanying prospectus has been filed with the SEC and is available for free on the SEC’s website at www.sec.gov. This press release shall not constitute an offer to sell or a solicitation of an offer to buy any of the securities described herein, nor shall there be any sale of these securities in any state or other jurisdiction in which such offer, solicitation, or sale would be unlawful prior to the registration or qualification under the securities laws of any such state or other jurisdiction.

About Outlook Therapeutics, Inc.

Outlook Therapeutics is a biopharmaceutical company focused on the development and commercialization of ONS-5010/LYTENAVA™ (bevacizumab-vikg, bevacizumab gamma) to enhance the standard of care for bevacizumab for the treatment of retina diseases. LYTENAVA™ (bevacizumab gamma) is the first ophthalmic formulation of bevacizumab to receive European Commission and MHRA Marketing Authorization for the treatment of wet AMD. Outlook Therapeutics commenced commercial launch of LYTENAVA™ (bevacizumab gamma) in Germany, Austria, and the UK as a treatment for wet AMD.

In the United States, ONS-5010/LYTENAVA™ (bevacizumab-vikg) is investigational. If approved in the United States, ONS-5010/LYTENAVA™, would be the first approved ophthalmic formulation of bevacizumab for use in retinal indications, including wet AMD.

Forward-Looking Statements

This press release contains statements that may or are considered “forward-looking statements. All statements other than statements of historical facts are “forward-looking statements,” including those relating to future events. In some cases, you can identify forward-looking statements by terminology such as “anticipate,” “believe,” “continue,” “expect,” “may,” “on track,” “plan,” “potential,” “target,” “will,” or “would” the negative of terms like these or other comparable terminology, and other words or terms of similar meaning. These include statements regarding, among others, the expected use of proceeds from the public offering, the potential receipt of additional gross proceeds on exercise of the common warrants, as well as the potential of ONS-5010/LYTENAVA™ as a treatment for retina diseases, the potential for ONS-5010 to receive approval from the FDA, and other statements that are not historical fact. Although Outlook Therapeutics believes that it has a reasonable basis for the forward-looking statements contained herein, they are based on current expectations about future events affecting Outlook Therapeutics and are subject to risks, uncertainties, and factors relating to its operations and business environment, all of which are difficult to predict and many of which are beyond its control. These risk factors include risks associated with developing and commercializing pharmaceutical product candidates, risks in obtaining necessary regulatory approvals, the content and timing of decisions by regulatory bodies, as well as those risks detailed in Outlook Therapeutics’ filings with the Securities and Exchange Commission (the SEC), including the Annual Report on Form 10-K for the fiscal year ended September 30, 2025, filed with the SEC on December 19, 2025, as supplemented by subsequent reports Outlook Therapeutics files with the SEC, which include uncertainty of market conditions and future impacts related to macroeconomic factors, including as a result of the global geopolitical conflict, tariffs, and trade tensions, fluctuations in interest rates and inflation, and potential future bank failures on the global business environment. These risks may cause actual results to differ materially from those expressed or implied by forward-looking statements in this press release. All forward-looking statements included in this press release are expressly qualified in their entirety by the foregoing cautionary statements. You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. Outlook Therapeutics does not undertake any obligation to update, amend or clarify these forward-looking statements whether as a result of new information, future events or otherwise, except as may be required under applicable securities law.
